I wish to volunteer with the Friends of Sausal Creek (FOSC) restoration, environmental and educational activities. I understand that FOSC is a nonprofit organization and that many of its activities occur in and around creeks, canyons, flood control easements, park and open space areas which may not be maintained for public use. I am aware that potential hazards to health and safety include but are not limited to: rough terrain, slippery rocks, poison oak, tool use, debris and possible water pollution. I understand that I alone am responsible for evaluating my own physical abilities and limitations regarding FOSC activities, and will only perform volunteer work that I feel comfortable doing. I assume any and all risks of injury and harm (including death) related to my participation in FOSC activities.

I hereby waive, release and hold harmless FOSC, its directors, officers, employees, volunteers and agents from any and all liability, claims, costs or damages (including but not limited to personal injury, property damage, or monetary loss) which may arise from my participation in FOSC activities.

I hereby grant to FOSC all right, title and interest in any photographic image, video or audio recording of me during my participation in FOSC activities.

I am 18 years or older and have read and understand the terms set forth in this Waiver and Release.
